Submitted for perusal. In the case, sanction is accorded to grant permission to a private party to form a layout under section 25(2) & (5) of the Town Board Act with the directions that the party should pay inspection charges at 1% & conversion fine. SECRETARY TO GOVT. 17 MAR 1954 L.S. DEPARTMENT

6) The D.C seems to have not been consulted - it is perhaps not necessary to consult the D.C, as the area ~~affected~~ comes within the scheme of the Trust Board As section 25(2) is proposed like in other in this case, as suggested in para 4 of the notes, it is perhaps necessary to consult the corporation in the first instance & the Trust Board has to do this under provision to Section 25 (1) of the T.B. Act.

2/4 + ; (P1 see next page)

2/4

7) In this case, Consultation with D.C. does not seem to be necessary because, the layout of Vasanthanagar has already been sanctioned by the Govt and this private layout forms only a portion of this Vasanthanagar layout. Though proviso to section 25(1) requires Prior Consultation of Corporation, yet even that does not seem to be necessary because, the bigger layout has already been sanctioned. It is only when the Trust Bd frames schemes for its own in a particular area, then opinion of the Bd and also of the Corpn seems to be necessary. In this case, ~~Consultation~~ prior appl of Corpn seems to be wholly unnecessary for reasons explained above

8) As regards the Conversion fine the minimum is Rs 2000 and the maximum is Rs 4000. It may be fixed at Rs 3000 per acre because, the Party will have to meet the entire Cost of the Layout which includes the formation of roads, drains (both underground and surface) and water mains etc. If the conversion
